Kevin Kastning (USA) & Sándor Szabó (Hungary) are contemporary guitar explorers, and trailblazers in modern composition. *Ethereal I* is their eighth Greydisc album release, and is the first in a new acoustic/electric series of works. It features 10 new Kastning-Szabó compositions. *The Book of Crossings*, Kevin and Sándor's 2012 Greydisc album, was named one of the **Top 10 Albums of 2012 by Acoustic Guitar Magazine**. *Perspectives*, their 2016 release, landed on several "best of 2016" lists.

Kevin is the inventor of the 36-string Double Contraguitar (see photo above right), 30-string Contra-Alto guitar, 15-string Extended Classical guitar, the double-course alto guitar in A, and the 17-string and 16-string Contraguitars.

Sándor has toured throughout Europe and performed multiple times in the USA, Japan, Canada, India, and Korea as a solo guitarist. He gave master classes in the US and France, Italy, and India introducing his special harmonic concept. He is a master of 16-string, fretless, and baritone guitars.
